## Svar - Melding om behov for strøing - Equinor bygget

Hi and thank you for your inquiry.

There are several different agencies that operate the roads at Fornebu from the bus stop to Equinor. In the map you can see which roads Bærum kommune is responsible for (Red line in the map). See attachment.

We will take a look at the road for which we are responsible and evaluate based on that.

Med hilsen

Karl Oskar Brøckermann  
spesialkonsulent
